Germ in Her System
Every Woman Should Read This Advice and the Generous Offer That Goes With It

The number of diseases peculiar to women is such that I believe this space would hardly contain a mere mention of their names, and it is a fact that most of these diseases are of a catarrhal nature. A woman cannot be well if there is a trace of catarrh in her system.

Some women think there is no help for them. I positively declare this to be a mistaken idea. I am so sure of this that I offer to supply medicine absolutely free of all cost in every instance where it fails to give satisfaction, or does not substantiate my claims. With this understanding, no woman should hesitate to believe our honesty of purpose, or hesitate to put my claims to a test.

There is only one way to overcome catarrh. That way is through the blood. You may use all the snuffs, douches or like remedies for years without getting more than temporary relief at best. Catarrh in general is a diseased condition of the system that shows locally most frequently in discharges from mucous membranes. Local treatment should be assisted by internal treatment for the general diseased condition if a complete cure is to be reached. That internal treatment should be scientifically devised and faithfully administered.

Rexall Mucu-Tone is scientifically prepared from the prescription of an eminent physician, who for thirty years made catarrh his specialty. This remedy is admirably adapted to the treatment of the catarrhal ailments of women. It purifies and enriches the blood, tends to stop mucous discharges, aids in removing impurities from the system, soothes, heals and strengthens the mucous tissues, and brings about a feeling of health and strength.

I want you to try Rexall Mucu-Tone on my guarantee. If you are not benefited, or for any reason not satisfied, simply tell me and I will hand back your money. Rexall Mucu-Tone comes in two sizes, 50c and \$1. Remember, you can obtain Rexall Remedies in Maysville only at my store—The Rexall Store. Thos. J. Chesoweth.

MAYSVILLE COMMERCIAL CLUB

Industrial Improvement League To Be Organized and Incorporated By Leading Business Men

There seems to be a special need at this time, in the city of Maysville, for the organization of the business men of the city for the furtherance of its industrial development. Such an organization is now taking shape in Maysville and the plan as outlined by W. Holton Key is to have the business men of our city to subscribe for any number of shares of stock in the Club, which is to be incorporated with \$10,000 capital stock, par value of the stock to be Ten Dollars (\$10.00) per share, and the amount to be paid one-fourth cash on its organization and one-fourth each in three, six and nine months thereafter.

It will be the purpose of this organization to encourage and assist in the location of manufacturing industries in the city of Maysville, and also to assist in every way possible in the up-building of the city.

It is desired that as much stock as is possible be subscribed, and as soon as this is done a meeting will be called for the purpose of organization. A name for the organization will be decided upon, articles of incorporation filed, by-laws adopted and officers elected.

It is impossible to do work of this kind without money, and it is generally acknowledged throughout the city that only by organized effort can anything be accomplished. Nearly every city of any size in this country has a commercial organization, and many of them have been remarkably successful.

In one town, very little larger than Maysville, seven factories have been located through the efforts of its Commercial Club since January 1st. These seven factories have a combined pay roll of over \$200,000 per annum. If Maysville can do half as well, the proposed organization will be a success.

We have good transportation facilities, cheap freight rates, ready access to raw material, and the cost of the necessities of life is less than in a great many other cities, so there seems to be no reason why Maysville should not be a manufacturing center. The plan will be further outlined in THE LEDGER.

THIRD OPERATION PREVENTED

By Lydia E. Pinkham's Vegetable Compound

Chicago, Ill. — "I want to tell you what Lydia E. Pinkham's Vegetable Compound did for me. I was so sick that two of the best doctors in Chicago said I would die if I did not have an operation. I had already had two operations, and they wanted me to go through a third one. I suffered day and night from inflammation and a small tumor, and never thought of seeing a well day again. A friend told me how Lydia E. Pinkham's Vegetable Compound had helped her, and I tried it, and after the third bottle was cured."—Mrs. ALVENA SPERLING, 1408 Clybourne Ave., Chicago, Ill.

If you are ill do not drag along at home or in your place of employment until an operation is necessary, but build up the feminine system, and remove the cause of those distressing aches and pains by taking Lydia E. Pinkham's Vegetable Compound, made from roots and herbs.

For thirty years it has been the standard remedy for female ills, and has positively restored the health of thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration. Why don't you try it?

The box supper and pie social at Bethany Church at Springdale, recently, was quite an enjoyable affair. The children were well entertained and taken care of and the receipts satisfactory. Through the thoughtfulness of the good women of the congregation the 30 old people present were seated at tables by themselves and were objects of special attention. Next Sunday Parson Degman will hold his regular services at Bethany and the beautiful new silver Communion service will be used for the first time. The public is cordially invited to be present.

WILL WONDERS NEVER CEASE? He Was Almost Dead

When the Root Juice people were here hundreds of people flocked to the drugstore to see them and get some of the great remedy, and after they left the great sale of the remedy continued because of the many remarkable cures it made. Many names of people living in this locality who were cured by taking a few bottles of Root Juice were published in this paper. The remedy is such a health-promoting agent that it creates great excitement in every city in which it is introduced. Mr. Albert Timlick of Cantrell, Ill., wrote and said: "For a number of years I suffered with a severe stomach trouble and tried many kinds of medicine but none did me any good. I was almost dead when I started on my first bottle of Root Juice, but as soon as I took three or four doses I began to feel better. Four bottles of the Juice made a complete cure of my troubles. I now have a good appetite and can eat anything I want. Before I took Root Juice I could not digest the lightest food. It would sour on my stomach and I would blast fearfully. I digest everything I eat now. It has certainly worked wonders for me." Root Juice is a great healing tonic to the stomach, bowels, liver and kidneys. It is sold for \$1 a bottle. Three bottles for \$2.50 at J. Jas. Wood & Son's Drugstore.

"To Our Friends and Patrons"

We are now ready to answer the oft-asked question since February 1st, when we gave away our Motor Buggy, "What are you going to give away this year?"

WE ARE GOING TO GIVE TO THE HOLDER OF THE LUCKY TICKET A CHRISTMAS GIFT OF A VICTOR VICTROLA!

The finest talking and singing machine in the world. This magnificent machine de luxe does not look like a talking machine. It has no horn and combines a record cabinet within its beautiful mahogany case. It will be a delight in any household. President Taft and ex-President Roosevelt both purchased Victrolas for entertainment at the White House. It is the leading feature at the Sinton Hotel, Cincinnati, during dinner hours, and from personal observation we know it draws hundreds of people each evening. A number of records we give with the machine will be solos, duets and quartettes, rendered by the greatest artists the world knows, namely, Caruso, Campanari, Melba, Sembrich, Scotti, Plancon and a number of other great artists. The greatest record to date the Victor people recently produced is the Lucia Sextette, notably the finest concerted song known. It is rendered by Sembrich, Severina, Caruso, Scotti, Journet and Daddi. There are also a number of renditions comprising the latest songs, both sentimental and humorous. All who have bought goods since February 1st are entitled to tickets; please call for them. Until we receive ours, which will be in the next few days, a duplicate of the machine can be seen at Brisbois & Diener's Furniture Store. Yours very truly,

BIG SALE

Excellent Quality of Wet Goods Shipped to Dry Territory

Few have any conception of the Maysville liquor trade. It is simply immense. Yesterday one of the West End distilleries made a shipment of six thousand cases, containing seventy-two thousand quart bottles of Kentucky's noted beverage.

Multiply eighteen thousand by sixty and you will find the number of single drinks the seventy-two thousand bottles contained—enough to make every man, woman and child in Mason county dizzy-headed, and then some.

Sold at retail it represents \$72,000, enough to buy several hogs at \$10 per hundred.

Free Remedy For Weak Bowels

There are two forms of bodily cleanliness, the external and the internal. The one is for your pride in yourself; the other for your life and health. Both are important, but of vastly more importance in the long run is the internal cleanliness.

This is one point that all should watch about the body—the cleanliness of the bowels. Keep them clean and free from obstructions. To do this you must have one or two movements of the bowels each twenty-four hours. If your system does not do this naturally, in the process of eating and drinking, then you must obtain aid of some kind. After finding out that cathartics, salts and such things relieve you for a day, but blind you up worse than ever the next day, then try a simpler and more natural remedy like Dr. Caldwell's Syrup Pepsin.

For the skeptical the best way to begin is to send your name and address to Dr. Caldwell for a free sample bottle. Use it as directed and if it convinces you that a brief continuance of its use will relieve you permanently—that it will train the stomach and bowel muscles to again work naturally at certain hours—then buy it of your druggist at fifty cents and one dollar a bottle, just as many others are doing. They began with a sample bottle, then bought a fifty cent one, and now, fully convinced of its merits, they buy the one dollar family size. All the members of the family can use it down to the very youngest.

A brief use of this grand laxative tonic will cure constipation in its worst form, indigestion, liver trouble, sick headache, sour stomach and such ailments and keep you in continuous good health at a very small cost. Such is the experience of many families like that of Mrs. Orest Fleener, Unionville, Ind. J. P. Daniel, Saron, Tex., and hundreds of others that could be named.

GORDON'S TESTIMONY PROVES INTERESTING

Charles W. Gordon, whose picture is given above, is agent for the Atlantic and Pacific Tea Company in Ogdensburg, N. Y. and resides at 78 King street, that city. In giving testimony regarding his own case, Mr. Gordon recently made the following statement:

"Some time ago, while suffering from stomach catarrh, I was advised to take Cooper's New Discovery, and did so, two bottles of the preparation putting my stomach into good condition. Previous to my taking the New Discovery I could not eat a meal without experiencing pain and discomfort afterward.

"I had been in this condition for a long time, although I had tried many different remedies in search of relief, and at last reached the conclusion that I had exhausted every available resource. Cooper's New Discovery was therefore to me almost a heaven-sent blessing, and the work of the medicine was so permanent and lasting that I have had no recurrence of my former trouble whatever.

"I can eat anything I care for without noticing any bad effects afterward. I have recommended Cooper's New Discovery to many persons of my acquaintance, and it never fails to give satisfactory results. It reaches the seat of stomach trouble in mighty short order."

Persons who are suffering from stomach disorders will find in Cooper's New Discovery a most potent remedy. There is a heavy demand for the Cooper preparations, for which I am agent in this community.—Thos. J. Chenoweth.
